

3.29 POST PLACEMENT CHECKLIST

Post-Placement Checklist

After placing concrete in Greenblock insulated concrete forms, be certain to mark off each item on the checklist provided in this section.

- 1. Has consolidation been completed?
- 2. Are walls straightened to string line?
- 3. In extreme temperatures, has exposed concrete been protected?
- 4. Have all anchors and embeds been installed?
- 5. Has spilled concrete been disposed of?
- 6. Has final check for straight and plumb been done?
